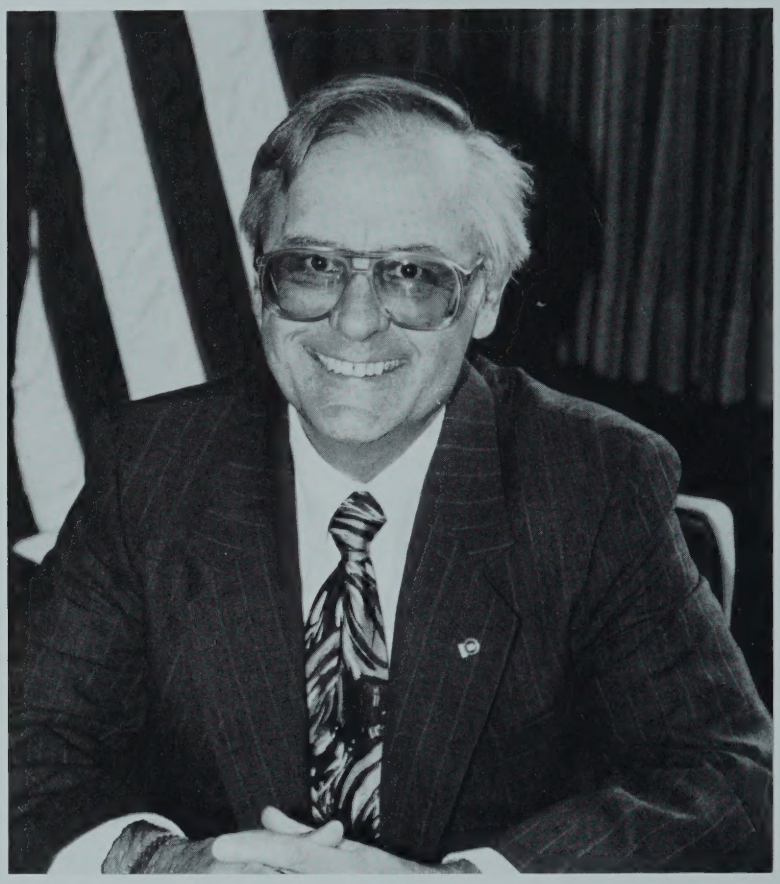
Dr. Alfred J. Sylvia
Distinguished Service



A Message from the Superintendent

To all classes past, present and future, may I wish you the very best of what life has to offer. May you follow your dreams and may most of them come true. Try always to be caring and considerate to others and kindness will be returned to you tenfold. There will be many opportunities that life presents to you. Don't be afraid to take a calculated risk, remember that "nothing ventured, nothing gained." Believe in yourself. You are for the most part the master of your own destiny in life. You more than anyone control your own destiny. So I say to you that with hard work, persistence and a pervasive positive attitude you can accomplish goals beyond your highest expectations. May your joys in life be many, may your disappointments be few, and may you abound in happiness. God Bless.

The boys JV soccer team

Just short of success

The boy's varsity soccer team had a great season this year, improving their record to 7-5-6. Unfortunately, they just barely missed making the Districts, needing one more win over St. Mary's. This talented team was led by senior captains Keith Wilkinson, Matt Brisson, and Matt Aubin. Seniors Brian Faucher, Steve Haglund, Jesse Garcia, and Mike Pousland greatly contributed to the team. Both Matt Brisson and J.R. Plante, a junior, were selected members of the SWCL All-Star team. Matt Brisson was also selected a member of the Central Mass. All-Star team. Though the boy's team will greatly miss the talent of the seven seniors, there are many underclassmen equally as talented to take their places next year.

Rebuilding for the Future

To say the 1992 girl's varsity soccer season was disappointing would be an understatement. Despite the fact that the team was loaded with talent and thought to be a league contender, they always seemed to be a step away from victory and finished 2-12-3.

Throughout the season, this very young team worked hard to maintain it's character. They were led by three seniors; Melissa Diguette, Amy Millett, and Laura Nielsen. Their strength and leadership as captains showed their teammates that the final score was not the only way to determine who won. Laura Nielsen played relentlessly every game and was selected by the votes of the opposing coaches to both the Central Mass, and SWCL All-Star teams; Heather Notidis was also selected to be a member of the SWCL All-Star team. We wish the seniors success and happiness, and look forward to the 1993 soccer season.

Cross Country

The 1992 girl's cross country team continued their winning streak this season and retained their title of SWCL Champs for the second year in a row. Led by senior captain Carrie Decoteau and senior Lori Miller, composed mainly of 7th, 8th, and 9th graders, this very young team showed tremendous effort against older and more experienced teams. Adrienne Shields, Chris Roy, and Erin Dromgoole were selected to the SWCL All-Star team. All three athletes helped lead the team to victory. This team has a very bright future ... congratulations for your victory, and good luck to the seniors.

Though the effort was admirable, the 1992 boy's cross country team had a losing season, ending up 1-12. The senior captains Brian Hickey, Charlie Marble, Mike Dyer, Kevin Pease, and Matt Tella helped to keep this young team alive through their leadership. Charlie Marble had a great season, and was selected to the SWCL All-Star team.

Girls' Volleyball

The varsity volleyball team had a very exciting 1992 season. Although the record only showed 3 wins and 9 losses, the matches were very competitive. The team worked very well together and showed strong serving, exellent setting, and occasional spiking and blocking. Many of the points seemed endless as the ball was repeatedly passed and attacked.

The seniors who played volleyball were Leanne Brown, Tiffeny Burke, Shawna Coons, Amy Credit, Cheryl Godbout, Tracy Golinski, Tara Swenson, and Jess Woodward. Other team member were Ann Boudreau, Beth Comeau, Kris Gauthier, Erin O'Leary, Jill Schonberg, and Ami Sulham. Setters for the 1992 season were Cheryl Godbout, Ami Sulham, and Jill Schonberg. Melissa Rudge served as the Manager.

Signs of Improvement

The 1992 varsity football team struggled through another season and ended with a record of 0-9-1. Though they did not win a game, all members played with everything they had...and more. They practiced almost twice as much as they ever did, and improvement was evident in their play. The team was led by senior captains Scott Johnston, Dennis Serra, and Jason Clark. Dennis Serra, Jason Clark, and Mark Balcius all played outstanding, giving strength to the team; all three were selected to the SWCL All-Star team.

A Season of Success

The boy's varsity basketball team had another great season this year. Despite the pressure upon them to be Millbury's "Dream Team" of last season incarnate, this years' varsity held their own in a very tough SWCL league, surprising all of the "non-believers" who wrote our very talented team off. One memorable occasion was their underdog victory over Oxford in double overtime. Led by senior captain Jay Manners and junior captain Mark Balcius, they ended their season with a 6-11-0 record. Other key senior players included Matt Brisson and Brian Faucher. Luke Gawronski was chosen a member of the SWCL All-Star team.

A Step Towards the Future

The girl's varsity basketball team had a good season, taking into consideration the size of the team, the caliber of the opponents that they had to face, and multiple injuries to the players through the course of the season. This eight-woman team, buttressed by two junior varsity "swingers", held their own against other talented teams such as Oxford and Grafton. The team was led by their three seniors: Amy Millett, Cheryl Godbout, and Jessica Woodward. Next season will be another rebuilding one for the girls's varsity.

Winter Track

The girl's indoor track team had an excellent season, with many talented younger runners forming the base of the team. They finished sixth in the League Relays (out of 12 teams) and sent a few runners to the State Meet at Harvard. The team tied past League Champion Lunenberg in a very close meet. The six senior captains (Melissa Diguette, Lori Miller, Laura Nielsen, Amy Murphy, Lynn Juneau, and Carrie Decoteau) were integral to the success of the team, sacrificing practice time to teach the younger runners the basics of track. The boy's track team also had a good season. With only fourteen members on the team, they struggled against other talented teams like Oakmont and Lunenberg. Though their record was not very impressive, there was a tremendous effort made by all the members of the team. This team was led by six seniors: Kevin Pease, Scott Johnston, Matt Tella, Mike Dyer, Brian Hickey, and Charlie Marble. The team should fare well with their upcoming and very talented younger runners.
